Library Display

At the bottom of this page, there is a reddish rectangle that can be slid from side to side.

There is a gray rectangle in the center of this page that can be slid up and down to reveal the lecture text.

The top blue button links to a school OPAC.

The bottom blue button links to a county-wide OPAC.

This page has an embedded video about wikis.

Click the text "you can also read about them" to go to a website that explains wikis.

Click the text "Visit this project's wiki" to go to the wiki created by these presenter.

There are two reddish bullseyes that can be slid from side to side.

There is a gray rectangle that can be slid up and down to reveal the page text. This will not interfere with the two screenshot images.

This page has a pull tab that can be drug up and down to reveal the text.
